### **Education**

Drexel University, Philadelphia, PA  
Bachelor of Science in Interactive Digital Media, June 2025  
User Experience in Interactive Design, 3.9

### **Skills**

Programs: Adobe Illustrator, AfterEffects, InVision, Microsoft Word, Powerpoint, Firealpaca, Krita, IMovie, Videoleap, GarageBand  
Websites: Figma, Wordpress, Google Docs, Slides

### **Creative Work**

- Dine With Dragons (March - June 2021)
- Assessed the task flow of Venmo to provide the basis for my Drexel themed commerce app
  - Designed a QR based payment system that allows multiple people to pay for single transactions at once
  - Rendered high-fidelity interaction animations for the main task flow of the application
- ARTnews Redesign (January – March 2021)
- Reorganized header information display to eliminate confusion from the multi-site format
  - Developed a thematic display of article images to imitate paintings in museums
  - Standardized article browsing system to prioritize paintings and images

### **Experience**

- Liberty Escape Rooms, Ocean City, New Jersey  
Game Master, June to August 2021
- Supervised all mechanical functions of three separate escape rooms to ensure quality gameplay for all groups.
  - Developed situation-dependent clues and hints to create a more thrilling and challenging experience for players.
  - Built enthusiasm for the games and company as a whole through encouragement and personal suggestions during sales and room introductions.
- United States Government, United States  
2020 Census Enumerator, July to August 2020
- Set high standards for efficiency and accuracy in questionnaire delivery
  - Empathized with hesitant or disapproving respondents, allowing for increased survey collection
  - Made effective use of employee resources to ensure personal safety and maximum outreach
